

## READY FOR LORIMER CASE

### Consideration First Duty for the Senate

### WANT TO BE ON MORAL SIDE

The Affair Beginning to Worry the Republican Managers—Controversy May Affect Massachusetts Senatorial Election.

Washington, Jan. 4.—The Lorimer case will open up promptly with the reassembling of the Senate Thursday morning. Immediately a resolution declaring invalid the seat of Senator Lorimer of Illinois will be offered and a speech made upon it, which will inform the country in detail why the opponents of Senator Lorimer allege ten votes in the Illinois legislature, or enough to cut Mr. Lorimer's seat out from under him, to have been tainted. The Senate probably will adjourn over until Monday, and for almost a month the morning hour will be devoted to an airing of the Lorimer case from every point. At the end of that time, it is hoped, a vote will be reached.

Since it has become known that William H. Taft, as Republican and not as president, is insisting upon a thorough examination of the case before the Lorimer report is acted upon, there has been a rush of Republican senators to place themselves on the "moral" side of the issue. It is expected that senators like Root of New York, Burton of Ohio, Nelson of Minnesota and other representative men will go on record against the seating of Lorimer before the vote is taken. Senators who have consulted with each and with President Taft regarding the case are quoted as saying that "the Senate owes it to itself and the country, as a matter of justice, fairness and honesty, to make a thorough investigation before voting whether or not Senator Lorimer is entitled to retain his seat." The Republican managers are now beginning to count the political cost if the case is not decided in a way to square with the opinion of the country, and partly for this reason individual senators are preparing speeches that they may put themselves on record by something more than a mere vote. The more the facts are studied the more apparent it becomes, say senators, who have been going through the documents that the Burrows committee performed only half its duty. The constitutional questions involved in the issue will be argued in detail by great lawyers like Rayner of Maryland, and every point hurriedly passed over by the committee will be discussed exhaustively.

The technicalities of the case may possibly have a hearing on the senatorial election in Massachusetts, should it develop that no candidate has a majority of the members actually elected to House and Senate. The friends of Senator Lodge are more confident now than ever that he will have a clean majority on the first ballot. The constitutional majority in Massachusetts, based on the arguments in the Lorimer case, would be 141, and any less figure would fail to elect. The Lorimer debate probably will settle for all time whether a man to be elected to the Senate must receive a majority of the total membership of both branches or of only the number actually present and voting.

### FRISBIE FOR SPEAKER.

Democratic Caucus Agrees On Him for New York Assembly.

Albany, N. Y., Jan. 4.—Daniel D. Frisbie of Middlebury, Schoharie county, for two years past minority leader in the lower house, was chosen last night at a caucus of the Democratic majority for speaker of the assembly. He will be formally elected to-day, when the assembly has its first meeting and organizes for the session.

The Democratic assembly caucus was harmonious and the slate prepared by the leaders, most of which had already been announced, went through without opposition. Luke McHenry of Madison county was chosen clerk; Leo F. Betts of Green county, sergeant-at-arms; J. B. Everts of Schuyler, stenographer; Joseph Hurley of Suffolk, principal doorkeeper; Edward Bourne of Richmond, first assistant doorkeeper, and Napoleon Mosher of Erie, second assistant doorkeeper.

Alfred E. Smith of New York, who is slated for the chairmanship of the committee on ways and means and the majority floor leadership gave notice that

### Do You Get Up With a Lame Back?

#### Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## Sick Headache

Is simply urgent notice from Nature that your digestive organs are foul, clogged, diseased.

HOOD'S PILLS by speedy, easy, soothing effect thoroughly cleanse, purify and invigorate. 25c.

to-day he would offer a resolution asking for the appointment of seven members, five Democrats and two Republicans as a committee empowered to investigate the rules for purposes of revision with the idea of expediting the business of the session.

Senator Thomas F. Grady of New York did not participate in the Democratic caucus called to name Senate officials last night. Rumors that he would attend and make trouble by announcing himself a free lance failed to materialize. Senator Robert F. Wagner of New York was selected president pro tem by unanimous vote. No other name was proposed.

A fight in the caucus of Republican senators last night resulted after a long struggle, in the choice of Senator Edgar T. Brackett of Saratoga as minority leader in the upper house.

### SEEKING SUPPORT.

President Is Pushing Ship Subsidy Bill Action.

Washington, Jan. 4.—President Taft, with the session of Congress about to open, has begun seeking to secure support for the ship subsidy bill. He is calling in members of the House and urging them to examine into the proposed legislation and to support it. He hopes to get the ocean mail bill which is now before the Senate put through before March 4. While the bill is now before the Senate, Mr. Taft expects it will go through that body and that the real trouble will be in the House. Therefore he is trying to get strength for it in that body.

Friends of the ship subsidy measure, however, are considerably worried over the Senate situation by reason of the fact that the Lorimer case threatens to take a lot of time. They fear that there will be so much discussion over the Lorimer case as to delay the ship subsidy bill and thus throw it into the House late in the session, where it will not get a fair show in the general rush.

### INDIAN CHIEF INAUGURATED.

Gov. Nicolai of the Penobscots, Weathery Merchant.

Oldtown, Me., Jan. 4.—Peter M. Nicolai was inaugurated governor of the Penobscot tribe of Indians at the reservation on Indian island yesterday, with the solemn ceremonies of the tribe, in the new party hall.

The Rev. J. J. Rice, curate of St. Joseph's Catholic church, offered prayer. The oath of office was administered by the retiring governor, Sebaste M. Francis, who presented the new governor with the silver medal that has been the badge of office since 1826, when it was sent to the tribe by President John Quincy Adams.

The new governor has a good education and is one of the wealthiest men of the tribe, having a store at a southern winter resort, as well as one at a Maine resort. He is one of the founders of the Indian Temperance society and has never tasted liquor.

The annual ball followed the inauguration. Many of the tribe appeared in Indian costume, richly trimmed with beadwork and silver, while others wore dress suits or ball gowns.

### VAUGHN POISON CASE ENDS.

Woman and Dr. Hull, Charged with Professor's Death, Freed.

Lancaster, Mo., Jan. 4.—Mrs. Alma H. Vaughn and Dr. James R. Hull, accused of the murder of Prof. John T. Vaughn nearly a year ago, were freed in the circuit court here. Their cases were not pressed by Prosecuting Attorney Reiger of Adair county, after Judge Shelton had refused to grant the further continuance asked by the state.

The announcement was greeted with applause by the friends of Mrs. Vaughn and Dr. Hull, who crowded the courtroom. The widow appeared unconcerned. Prof. Vaughn suddenly died in Kirksville, Mo., on Oct. 14, 1909. In December of that year a number of his friends began an investigation, and in January, 1910, his body was exhumed. Then followed a bitter legal fight on the report that he had strychnine in his stomach. Indictments were returned a few weeks later.

### EIGHT MEN ENTOMBED.

Accident in Colliery of Nova Scotia Steel Company.

Sydney, C. B., Jan. 4.—Eight miners were entombed in No. 3 colliery of the Nova Scotia Steel company here yesterday. Two of the men were rescued shortly after noon, but the fate of the other six was not at that time known.

The accident was caused by an explosion of gas in the south side of No. 3 colliery. Following the explosion there was a fall of coal and stone, which buried some of the miners at work in the vicinity. Four of the entombed men were deputies, named Ferguson, Nixon, McIntyre and Jesse. The others were shift men.

McIntyre and Jesse were rescued early in the afternoon. Rescuers began work immediately after the explosion in an endeavor to reach their imprisoned comrades.

### AMERICAN RUNNER WINS.

Hans Holmer Captures Scottish Marathon Race in Record Time.

Edinburgh, Scotland, Jan. 4.—Hans Holmer, the American, won the professional Marathon on Powder hall ground yesterday in the record time of 2 hours, 32 minutes and 21 seconds, defeating twenty-six runners of continental and British fame.

The French runner, Bouchard, led for fifteen miles in 1 hour, 21 minutes and 15 seconds, Holmer running strong 100 yards behind. The American took the lead in the nineteenth mile and passed Bouchard at the twentieth mark, the time being 1 hour, 49 minutes and 29 seconds. From then to the end of the 26 miles and 385 yards, Holmer held the lead, finishing three-quarters of a mile ahead of the French runner.

### Gus Rubin Assaulted.

New York, Jan. 4.—Gus Rubin, former champion heavy-weight pugilist and known as the "Akron giant," was seriously injured yesterday when an unknown man felled the former pugilist with a club as he was standing in the doorway of his place of business in Brooklyn. Rubin is suffering from concussion of the brain. The pugilist cannot explain the attack, nor does he know his assailant.
